REGIONALS

Congratulations to all our soloists and groups who participated in the Thanksgiving weekend regionals in Philadelphia. Caitlin Worthey (10), Julianna Harkins (11) and Noelle Zielenbach (19) have all qualified to participate in the World Championships in Belfast this spring! Good Luck Girls!

COMPETITION

Please remember to sign up for the Marie Moore Feis in Scotch Plains. It is on March 5th at Scotch Plains Fanwood High School. Last year a lot of us got closed out. Go to the website www.mariemoore-irishdance.com to find the feis details. Ask your teacher what to sign up for. Please do not sign up late and do not call the feis organizers if you get closed out (it's embarrassing for me).

SHEA-JENNINGS FEIS

We are also sponsoring a feis on Saturday, May 6th at David Brearly High School in Kenilworth. We are looking for volunteers. Please sign the poster board in the waiting room or call the studio. We need plenty of help, especially an hour here and there at the doors and/or stages.

RECITAL

Every year we have a recital at Cranford High School. This year's recital will be held June 2. We have already started our recital numbers. Please call me at home (272-6130) immediately if you cannot attend. I will assume your child can dance if I don't hear from you. More details to follow...

PAYMENT

Please remember that you commit to this studio and you are required to pay every month. Makeup classes are available on Saturdays at noon. You're required to pay no later than the 15th of every month. After that time a 10% late fee will be added to your balance.

ADULT CLASSES

Please come out to dance. We have older students who are practicing for their teacher's licenses. We really need you to help them. If you have a student in the school, your fee is 1.00 per evening. Classes will be held Tuesday nights at 7:00. Please call the office now. The first night will be in January.

DRESS AND SHOE SALE

Please bring your dresses and shoes for sale on Saturday, Feb. 24th at 2:00pm. Label your dress with white masking tape inside the dress.) Put your shoes in a ziplock bag also labeled with name and phone number. I will price shoes and dresses if you are unsure of the resale value.

OIREACHTAS

Anyone interested in doing group dances for the regional championships in November, please call me no later than March 1. This is open to Novice, Prizewinner and Champion dancers only.

SUMMER CAMP

Camp will be held three weeks in July (starting July 10th). Brochures will be available shortly at the studio. Please sign up no later than March 1st. I can only handle 30 students per week so don't disappoint your child. If you are interested in all three weeks, please call me immediately so I can reserve your spot.
